

devaluation that was taking place on a day-by-day basis, but something much more significant at some point in time. And the only question was when and how harmful such a devaluation would be.

I argued that it was imperative that we anticipate that problem, deal with it in advance. And so I sent many letters. I sent, first and foremost, a letter to President Clinton, but also to the Secretary of the Treasury, at least at that time, to the present Secretary of the Treasury, who was then Chairman of the National Economic Council, to the U.S. Trade Representative Mickey Kantor, to the head of the Business Roundtable's section on NAFTA, who at that time was the chairman of East-ern Kodak, Kay Whitmore.

I said, if NAFTA is going to pass, it ought to be a good NAFTA. It ought to be a NAFTA that protects American workers, and we cannot have a good NAFTA unless we have a provision dealing with exchange rates, something that will call for consultation, coordination, and corrective measures in the event of some type of devaluation.

Well, as the gentlewoman pointed out, my early warnings 2 years ago fell on absolute deaf ears. The problem is at that time the peso was about 3.2 to the dollar or 3,200 of the old pesos to the dollar. Of course, there had been a devaluation from 1982 to 1992 of 1,000, 2,000, 3,000 percent. We were not talking about modest devaluations. We were talking about volatile, extreme devaluation.

Let me just make this point. We have to be very careful before we go ahead and approve a \$40 billion loan guarantee. The administration and the Congress, Democrat and Republican, are dedicated to doing this by next Friday without congressional hearings, without satisfactorily, without exposing this to the crucible of examination, cross-examination, public opinion.

We have to be very careful. Otherwise we are going to freeze that exchange rate in the vicinity of 5.5 or so to the dollar. And if we thought we were going to have difficulties at 3.2 pesos to the dollar, we will be unable to export to Mexico at 5.5. There will be a huge, tremendous incentive to establish American plants and other plants from around the globe in Mexico at that valuation, and this administration and this Congress does not seem concerned about it.

The only thing they seem concerned about is ensuring that there be a loan guarantee for a restructuring of the existing loans; a restructuring that in my judgment would be done without the guarantees, because the lenders have no option but to extend the maturities.

If a lender gives \$100,000, the lender owes the borrower. If a lender gives \$40 billion, the borrower owns the lender.

We ought to be very, very careful before we proceed. To do it without hearings, to do it without examination and cross-examination debases the democratic process.

What they are saying is, this is so important and so big that we cannot have hearings, we cannot have it tested in the crucible of public opinion, which is the committee hearing process process of the House of Representatives and the Senate. That does not wash, not in my district in any event.

Ms. KAPTUR. The gentleman should be the very first person to be a part of such a hearing, because there is no one in this body that knows more about the internal debt structure of Mexico. It is an outrage, it is an outrage to this Congress and to the new leadership in this place that they would try to muscle the minds, not just of the people here, but also of the American people and not permit them to know what this is all about when they have to foot the bill.

It is absolutely outrageous. You have, to me, a special right to be a part of those hearings. I think you would make a positive contribution to putting Mexico on a sounding footing toward the future.

I personally do not believe this is the way to do it, because you cannot have free trade without free countries. I think Mexico needs a good dose of democracy as a basis for economic growth in the future. I know the time of our special order has expired, and we thank all of those who have been a part of this this evening, especially the gentleman from New York [Mr. LAFALCE], the gentleman from Illinois [Mr. LIPINSKI], the gentleman from Vermont [Mr. SANDERS], those who joined us to inform the American people.

RULES OF PROCEDURE FOR THE COMMITTEE ON ECONOMIC AND EDUCATIONAL OPPORTUNITIES FOR THE 104TH CONGRESS

(Mr. GOODLING asked and was given permission to extend his remarks at this point in the RECORD and to include extraneous matter.)

Mr. GOODLING. Mr. Speaker, pursuant to the requirement of clause (2)(a) of rule XI of the Rules of the House of Representatives, I submit herewith the rules of the Committee on Economic and Educational Opportunities for the 104th Congress and ask that they be printed in the RECORD at this point. These rules were adopted by the committee in open session on January 5, 1995.

RULES OF THE COMMITTEE ON ECONOMIC AND EDUCATIONAL OPPORTUNITIES

RULE 1. REGULAR AND SPECIAL MEETINGS: VICE CHAIRMAN

(a) Regular meetings of the committee shall be held on the second and fourth Tuesdays of each month at 9:30 a.m., while the Congress is in session. When the Chairman believes that the committee will not be considering any bill or resolution before the committee and that there is no other business to be transacted at a regular meeting, he will give each member of the committee, as far in advance of the day of the regular meeting as the circumstances make practicable, a written notice to that effect; and no committee meeting shall be held on that day.

(b) The Chairman may call and convene, as he considers necessary, additional meetings

of the committee for the consideration of any bill or resolution pending before the committee or for the conduct of other committee business. The committee shall meet for such purposes pursuant to that call of the Chairman.

(c) If at least three members of the committee desire that a special meeting of the committee be called by the Chairman, those members may file in the offices of the committee their written request to the Chairman for that special meeting. Immediately upon the filing of the request, the staff director of the committee shall notify the Chairman of the filing of the request. If, within three calendar days after the filing of the request, the Chairman does not call the requested special meeting to be held within seven calendar days after the filing of the request, a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held, specifying the date and hour thereof, and the measure or matter to be considered at that special meeting. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the staff director of the committee shall notify all members of the committee that such meeting will be held and inform them of its date and hour and the measure or matter to be considered; and only the measure or matter specified in that notice may be considered at that special meeting.

(d) All legislative meetings of the committee and its subcommittees shall be open to the public, including radio, television, and still photography coverage. No business meeting of the committee, other than regularly scheduled meetings, may be held without each member being given reasonable notice. Such meeting shall be called to order and presided over by the Chairman, or in the absence of the Chairman, by his designee.

(e)(1) The Chairman of the committee and of each of the subcommittees shall designate a vice chairman of the committee or subcommittee, as the case may be.

(2) The chairman of the committee or of a subcommittee, as appropriate, shall preside at meetings or hearings, or, in the absence of the chairman, the vice chairman shall preside.

RULE 1. QUESTIONING OF WITNESSES

Committee members may question witnesses only when they have been recognized by the Chairman for the purpose, and only for a 5-minute period until all members present have had an opportunity to question a witness. The 5-minute period for questioning a witness by any one member can be extended only with the unanimous consent of all members present. The questioning of witnesses in both committee and subcommittee hearings shall be initiated by the Chairman, followed by the ranking minority party member and all other members alternating between the majority and minority party in order of the member's appearance at the hearing. In recognizing members to question witnesses in this fashion, the Chairman shall take into consideration the ratio of the majority to minority party members present and shall establish the order of recognition for questioning in such a manner as not to place the members of the majority party in a disadvantageous position.

RULE 3. RECORDS AND ROLLCALLS

(a) Written records shall be kept of the proceedings of the committee and of each subcommittee, including a record of the votes on any question on which a rollcall is demanded. The result of each such rollcall vote shall be made available by the committee or subcommittee for inspection by the public at reasonable times in the offices of

the committee or subcommittee. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition and the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members present but not voting. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member.

(b) In accordance with Rule XXXVI of the Rules of the House of Representatives, any official permanent record of the committee (including any record of a legislative, oversight, or other activity of the committee or any subcommittee) shall be made available for public use if such record has been in existence for 30 years, except that—

(1) any record that the committee (or a subcommittee) makes available for public use before such record is delivered to the Archivist under clause 2 of Rule XXXVI of the Rules of the House of Representatives shall be made available immediately, including any record described in subsection (a) of this Rule;

(2) any investigative record that contains personal data relating to a specific living individual (the disclosure of which would be an unwarranted invasion of personal privacy), any administrative record with respect to personnel, and any record with respect to a hearing closed pursuant to clause 2(g)(2) of Rule XI of the Rules of the House of Representatives shall be available if such record has been in existence for 50 years; or

(3) except as otherwise provided by order of the House, any record of the committee for which a time, schedule, or condition for availability is specified by order of the committee (entered during the Congress in which the record is made or acquired by the committee) shall be made available in accordance with the order of the committee.

(c) The official permanent records of the committee include noncurrent records of the committee (including subcommittees) delivered by the Clerk of the House of Representatives to the Archivist of the United States for preservation at the National Archives and Records Administration, which are the property of and remain subject to the rules and orders of the House of Representatives.

(d)(1) Any order of the committee with respect to any matter described in paragraph (2) of this subsection shall be adopted only if the notice requirements of committee Rule 18(d) have been met, a quorum of a majority of the members of the committee is present at the time of the vote, and a majority of those present and voting approve the adoption of the order, which shall be submitted to the Clerk of the House of Representatives, together with any accompanying report.

(2) This subsection applies to any order of the committee which—

(A) provides for the nonavailability of any record subject to subsection (b) of this rule for a period longer than the period otherwise applicable; or

(B) is subsequent to, and constitutes a later order under clause 4(b) of Rule XXXVI of the Rules of the House of Representatives, regarding a determination of the Clerk of the House of Representatives with respect to authorizing the Archivist of the United States to make available for public use the records delivered to the Archivist under clause 2 of Rule XXXVI of the Rules of the House of Representatives; or

(C) specifies a time, schedule, or condition for availability pursuant to subsection (b)(3) of this Rule.

RULE 4. STANDING SUBCOMMITTEES: SIZE AND JURISDICTION

(a) There shall be five standing subcommittees with the following jurisdictions:

This subcommittee will not have legislative jurisdiction and no bills or resolutions will be referred to it.

(b) The majority party members of the committee may provide for such temporary, ad hoc subcommittees as determined to be appropriate.

RULE 5. EX OFFICIO MEMBERSHIP

The Chairman of the committee and the ranking minority party member shall be ex officio members, but not voting members, of each subcommittee to which such Chairman

or ranking minority party member has not been assigned.

RULE 6. SPECIAL ASSIGNMENT OF MEMBERS

To facilitate the oversight and other legislative and investigative activities of the committee, the Chairman of the committee may, at the request of a subcommittee chairman, make a temporary assignment of any member of the committee to such subcommittee for the purpose of enabling such member to participate in any public hearing, investigation, or study by such subcommittee to be held outside of Washington, DC. Any member of the committee may attend public hearings of any subcommittee and shall be afforded an opportunity by the subcommittee chairman to question witnesses.

RULE 7. SUBCOMMITTEE CHAIRMANSHIPS

The method for selection of chairmen of the subcommittees shall be at the discretion of the full committee Chairman, unless a majority of the majority party members of the full committee disapprove of the action of the Chairman.

RULE 8. SUBCOMMITTEE SCHEDULING

Subcommittee chairmen shall set meeting dates after consultation with the Chairman and other subcommittee chairmen with a view toward avoiding simultaneous scheduling of committee and subcommittee meetings or hearings, wherever possible. Available dates for subcommittee meetings during the session shall be assigned by the Chairman to the subcommittees as nearly as practicable in rotation and in accordance with their workloads. As for as practicable, the Chairman of the committee shall seek to assure that subcommittees are not scheduled to meet for markup or approval of any measure or matter when the committee is meeting to consider any measure or matter for markup or approval. No markups shall be scheduled simultaneously by the subcommittees.

RULE 9. SUBCOMMITTEE RULES

The rules of the committee shall be the rules of its subcommittees.

RULE 10. COMMITTEE STAFF

(a) The employees of the committee shall be appointed by the Chairman in consultation with subcommittee chairmen and other majority party members of the committee within the budget approved for such purposes by the committee.

(b) The staff appointed by the minority shall have their remuneration determined in such manner as the minority party members of the committee shall determine within the budget approved for such purposes by the committee.

RULE 11. SUPERVISION AND DUTIES OF COMMITTEE STAFF

The staff of the committee shall be under the general supervision and direction of the Chairman, who shall establish and assign the duties and responsibilities of such staff members and delegate authority as he determines appropriate. The staff appointed by the minority shall be under the general supervision and direction of the minority party members of the committee, who may delegate such authority as they determine appropriate. All committee staff shall be assigned to committee business and no other duties may be assigned to them.

RULE 12. HEARINGS PROCEDURE

(a) The Chairman, in the case of hearings to be conducted by the committee, and the appropriate subcommittee chairman, in the case of hearings to be conducted by a subcommittee, shall make public announcement of the date, place, and subject matter of any hearing to be conducted on any measure or

matter at least one week before the commencement of that hearing unless the committee or subcommittee determines that there is good cause to begin such hearing at an earlier date. In the latter event, the Chairman or the subcommittee chairman, as the case may be, shall make such public announcement at the earliest possible date. To the extent practicable, the Chairman or the subcommittee chairman shall make public announcement of the final list of witnesses scheduled to testify at least 48 hours before the commencement of the hearing. The staff director of the committee shall promptly notify the Daily Digest Clerk of the Congressional Record as soon as possible after such public announcement is made.

(b) All hearings conducted by the committee or any subcommittee shall begin at 9:30 a.m. on the scheduled date and shall end at 12:15 p.m., unless there is good cause to schedule a hearing at a different time or to extend the length of the hearing. All opening statements at hearings conducted by the committee or any subcommittee will be made part of the permanent written record. Opening statements by members may not be presented orally, unless the Chairman of the committee or any subcommittee determine that one statement from the Chairman or his/her designee will be presented, in which case the ranking minority party member or his/her designee may also make a statement. If a witness scheduled to testify at any hearing of the Committee or any subcommittee is a constituent of a member of the committee or subcommittee, such member shall be entitled to introduce such witness at the hearing.

(c) To the extent practicable, each witness who is to appear before the committee or a subcommittee shall file with the staff director of the committee, at least 24 hours in advance of his/her appearance, a written statement of his proposed testimony, together with a brief summary thereof, and shall limit his oral presentation to a summary of his statement. The staff director of the committee shall promptly furnish to the staff director of the minority a copy of such testimony submitted to the committee pursuant to this rule.

(d) When any hearing is conducted by the committee or any subcommittee upon any measure or matter, the minority party members on the committee shall be entitled, upon request to the Chairman by a majority of those minority party members before the completion of such hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon. The minority party may waive this right by calling at least one witness during a committee hearing or subcommittee hearing.

RULE 13. MEETINGS—HEARINGS—QUORUMS

(a) Subcommittees are authorized to hold hearings, receive exhibits, hear witnesses, and report to the committee for final action, together with such recommendations as may be agreed upon by the subcommittee. No such meetings or hearings, however, shall be held outside of Washington, DC, or during a recess or adjournment of the House without the prior authorization of the committee Chairman. Where feasible and practicable, 14 days' notice will be given of such meeting or hearing.

(b) One-third of the members of the committee or subcommittee shall constitute a quorum for taking any action other than amending committee rules, closing a meeting from the public, reporting a measure or recommendation, or in the case of the committee authorizing a subpoena. For the enumerated actions, a majority of the committee or subcommittee shall constitute a quorum. Any two members shall constitute a

quorum for the purpose of taking testimony and receiving evidence.

(c) When a bill or resolution is being considered by the committee or a subcommittee, members shall provide the clerk in a timely manner a sufficient number of written copies of any amendment offered, so as to enable each member present to receive a copy thereof prior to taking action. A point of order may be made against any amendment not reduced to writing. A copy of each such amendment shall be maintained in the public records of the committee or subcommittee, as the case may be.

RULE 14. SUBPOENAS

A subpoena may be authorized and issued by the committee or subcommittee in the conduct of any investigation or series of investigations or activities, only when authorized by a majority of the members of the full committee voting, a majority being present. Authorized subpoenas shall be signed by the Chairman of the committee or by any member designated by the committee.

RULE 15. REPORTS OF SUBCOMMITTEES

(a) Whenever a subcommittee has ordered a bill, resolution, or other matter to be reported to the committee, the chairman of the subcommittee reporting the bill, resolution, or matter to the committee, or any member authorized by the subcommittee to do so, may report such bill, resolution, or matter to the committee. It shall be the duty of the chairman of the subcommittee to report or cause to be reported promptly such bill, resolution, or matter, and to take or cause to be taken the necessary steps to bring such bill, resolution, or matter to a vote.

(b) In any event, the report, described in the proviso in subsection (d) of this rule, of any subcommittee on a measure which has been approved by the subcommittee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which there has been filed with the staff director of the committee a written request, signed by a majority of the members of the subcommittee, for the reporting of that measure. Upon the filing of any such request, the staff director of the committee shall transmit immediately to the chairman of the subcommittee a notice of the filing of that request.

(c) All committee or subcommittee reports printed pursuant to legislative study or investigation and not approved by a majority vote of the committee or subcommittee, as appropriate, shall contain the following disclaimer on the cover of such report:

"This report has not been officially adopted by the Committee on Economic and Educational Opportunities (or pertinent subcommittee thereof) and may not therefore necessarily reflect the views of its members."

The minority party members of the committee or subcommittee shall have three calendar days, excluding weekends and holidays, to file, as part of the printed report, supplemental, minority, or additional views.

(d) Bills, resolutions, or other matters favorably reported by a subcommittee shall automatically be placed upon the agenda of the committee as of the time they are reported and shall be considered by the full committee in the order in which they were reported unless the committee shall by majority vote otherwise direct. No bill or resolution or other matter reported by a subcommittee shall be considered by the full committee unless it has been in the hands of all members at least 48 hours prior to such consideration. When a bill is reported from a subcommittee, such measure shall be accompanied by a section-by-section analysis; and, if the Chairman of the committee so requires

(in response to a request from the ranking minority member of the committee or for other reasons), a comparison showing proposed changes in existing law.

(e) To the extent practicable, any report prepared pursuant to a committee or subcommittee study or investigation shall be available to members no later than 48 hours prior to consideration of any such report by the committee or subcommittee, as the case may be.

RULE 16. VOTES

(a) No vote by any member of the committee or any subcommittee with respect to any measure or matter may be cast by proxy.

(b) With respect to each rollcall vote on a motion to report any bill, resolution or matter of a public character, and on any amendment offered thereto, the total number of votes cast for and against, and the names of those members voting for and against, shall be included in the committee report on the measure or matter.

RULE 17. AUTHORIZATION FOR TRAVEL

(a) Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, the provisions of this rule shall govern travel of committee members and staff. Travel to be paid from funds set aside for the full committee for any member or any staff member shall be paid only upon the prior authorization of the Chairman. Travel may be authorized by the Chairman for any member and any staff member in connection with the attendance of hearings conducted by the committee or any subcommittee thereof and meetings, conferences, and investigations which involve activities or subject matter under the general jurisdiction of the committee. The Chairman shall review travel requests to assure the validity to committee business. Before such authorization is given, there shall be submitted to the Chairman in writing the following:

- (1) the purpose of the travel;
- (2) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made;
- (3) the location of the event for which the travel is to be made; and
- (4) the names of members and staff seeking authorization.

(b)(1) In the case of travel outside the United States of members and staff of the committee for the purpose of conducting hearings, investigations, studies, or attending meetings and conferences involving activities or subject matter under the legislative assignment of the committee or pertinent subcommittees, prior authorization must be obtained from the Chairman, or, in the case of a subcommittee, from the subcommittee chairman and the Chairman. Before such authorization is given, there shall be submitted to the Chairman, in writing, a request for such authorization. Each request, which shall be filed in a manner that allows for a reasonable period of time for review before such travel is scheduled to begin, shall include the following:

- (A) the purpose of travel;
- (B) the dates during which the travel will occur;
- (C) the names of the countries to be visited and the length of time to be spent in each;
- (D) an agenda of anticipated activities for each country for which travel is authorized together with a description of the purpose to be served and the areas of committee jurisdiction involved; and
- (E) the names of members and staff for whom authorization is sought.

(2) Requests for travel outside the United States may be initiated by the Chairman or the chairman of a subcommittee (except that

individuals may submit a request to the Chairman for the purpose of attending a conference or meeting) and shall be limited to members and permanent employees of the committee.

(3) The Chairman shall not approve a request involving travel outside the United States while the House is in session (except in the case of attendance at meetings and conferences or where circumstances warrant an exception).

(4) At the conclusion of any hearing, investigation, study, meeting, or conference for which travel outside the United States has been authorized pursuant to this rule, each subcommittee (or members and staff attending meetings or conferences) shall submit a written report to the Chairman covering the activities of the subcommittee and containing the results of these activities and other pertinent observations or information gained as a result of such travel.

(c) Members and staff of the committee performing authorized travel on official business shall be governed by applicable laws, resolutions, or regulations of the House and of the Committee on House Oversight pertaining to such travel, including rules, procedures, and limitations prescribed by the Committee on House Oversight with respect to domestic and foreign expense allowances.

(d) Prior to the Chairman's authorization for any travel, the ranking minority party member shall be given a copy of the written request thereof.

RULE 18. REFERRAL OF BILLS, RESOLUTIONS, AND OTHER MATTERS

(a) The Chairman shall consult with subcommittee chairmen regarding referral of such bills, resolutions, and other matters which may be referred to the committee. Notice will be provided if a bill, resolution, or other matter is held at the full committee, otherwise referrals to appropriate subcommittees will be made within two weeks of referral to the committee.

(b) In the conduct of hearings and meetings of subcommittees sitting jointly, pursuant to subsection (a), for purposes of shared consideration of any bill or resolution, including marking up or reporting any such measure to the full committee—

(1) the rules otherwise applicable to all subcommittees shall likewise apply to joint subcommittee hearings and meetings for purposes of such shared consideration, and

(2) every member of each of such subcommittees shall for purposes of determining a quorum be counted individually in the aggregate total number of members of such subcommittees, and shall have equal voting rights as individual members during the shared consideration of any such bill or resolution, in the same manner as if the total memberships of such subcommittees were combined to constitute a single subcommittee.

(c) Referral to a subcommittee shall not be made until three days shall have elapsed after written notification of such proposed referral to all subcommittee chairmen, at which time such proposed referral shall be made unless one or more subcommittee chairmen shall have given written notice to the Chairman of the full committee and to the chairman of each subcommittee that he intends to question such proposed referral at the next regularly scheduled meeting of the committee, or at a special meeting of the committee called for that purpose, at which time referral shall be made by the majority members of the committee. All bills shall be referred under this rule to the subcommittee of proper jurisdiction without regard to whether the author is or is not a member of the subcommittee. A bill, resolution, or other matter referred to a subcommittee in

accordance with this rule may be recalled therefrom at any time by a vote of the majority members of the committee for the committee's direct consideration or for reference to another subcommittee.

(d) All members of the committee shall be given at least 24 hours' notice prior to the direct consideration of any bill, resolution, or other matter by the committee; but this requirement may be waived upon determination, by a majority of the members voting, that emergency or urgent circumstances require immediate consideration thereof.

RULE 19. COMMITTEE REPORTS

(a) All committee reports on bills or resolutions shall comply with the provisions of clause 2 of Rule XI and clauses 3 and 7(a) of Rule XIII of the Rules of the House of Representatives.

(b) No such report shall be filed until copies of the proposed report have been available to all members at least 36 hours prior to such filing in the House. No material change shall be made in the report distributed to members unless agreed to by majority vote; but any member or members of the committee may file, as part of the printed report, individual, minority, or dissenting views, without regard to the preceding provisions of this rule.

(c) Such 36-hour period shall not conclude earlier than the end of the three-day period (provided under clause 2, paragraph (1)(5) of Rule XI of the Rules of the House of Representatives) after the committee approves a measure or matter if a member, at the time of such approval, gives notice of intention to file supplemental, minority, or additional views for inclusion as part of the printed report.

(d) The report on activities of the committee required under clause 1 of Rule XI of the Rules of the House of Representatives, shall include the following disclaimer in the document transmitting the report to the Clerk of the House:

"This report has not been officially adopted by the Committee on Economic and Educational Opportunities or any subcommittee thereof and therefore may not necessarily reflect the views of its members."

Such disclaimer need not be included if the report was circulated to all members of the committee at least 10 days prior to its submission to the House and provision is made for the filing by any member, as part of the printed report, of individual, minority, or dissenting views.

RULE 20. MEASURES TO BE CONSIDERED UNDER SUSPENSION

A member of the committee may not seek to suspend the Rules of the House on any bill, resolution, or other matter which has been modified after such measure is ordered reported, unless notice of such action has been given to the Chairman and ranking minority member of the full committee.

RULE 21. BUDGET AND EXPENSES

(a) The Chairman in consultation with the majority party members of the committee shall, for each session of the Congress, prepare a preliminary budget. Such budget shall include necessary amounts for staff personnel, for necessary travel, investigation, and other expenses of the committee; and, after consultation with the minority party membership, the Chairman shall include amounts budgeted to the minority party members for staff personnel to be under the direction and supervision of the minority party, travel expenses of minority members and staff, and minority party office expenses. All travel expenses of minority party members and staff shall be paid for out of the amounts so set aside and budgeted. The Chairman shall take whatever action is necessary to have the

budget as finally approved by the committee duly authorized by the House. After such budget shall have been adopted, no change shall be made in such budget unless approved by the committee. The Chairman or the chairman of any standing subcommittee may initiate necessary travel requests as provided in Rule 17 within the limits of their portion of the consolidated budget as approved by the House, and the Chairman may execute necessary vouchers therefor.

(b) Subject to the rules of the House of Representatives and procedures prescribed by the Committee on House Oversight, and with the prior authorization of the Chairman of the committee in each case, there may be expended in any one session of Congress for necessary travel expenses of witnesses attending hearings in Washington, DC:

(1) out of funds budgeted and set aside for each subcommittee, not to exceed \$2,000 for expenses of witnesses attending hearings of each such subcommittee;

(2) out of funds budgeted for the full committee majority, not to exceed \$2,000 for expenses of witnesses attending full committee hearings; and

(3) out of funds set aside to the minority party members,

(A) not to exceed, for each of the subcommittees, \$2,000 for expenses of witnesses attending subcommittee hearings, and

(B) not to exceed \$2,000 for expenses of witnesses attending full committee hearings.

(c) A full and detailed monthly report accounting for all expenditures of committee funds shall be maintained in the committee office, where it shall be available to each member of the committee. Such report shall show the amount and purpose of each expenditure, and the budget to which such expenditure is attributed.

RULE 22. APPOINTMENT OF CONFEREES AND NOTICE OF CONFERENCE MEETINGS

(a) Whenever in the legislative process it becomes necessary to appoint conferees, the Chairman shall recommend to the Speaker as conferees the names of those members of the subcommittee which handled the legislation in the order of their seniority upon such subcommittee and such other committee members as the Chairman may designate with the approval of the majority party members. Recommendations of the Chairman to the Speaker shall provide a ratio of majority party members to minority party members no less favorable to the majority party than the ratio of majority members to minority party members on the full committee. In making assignments of minority party members as conferees, the Chairman shall consult with the ranking minority party member of the committee.

(b) After the appointment of conferees pursuant to clause 6(f) of Rule X of the Rules of the House of Representatives for matters within the jurisdiction of the committee, the Chairman shall notify all members appointed to the conference of meetings at least 48 hours before the commencement of the meeting. If such notice is not possible, then notice shall be given as soon as possible.

RULE 23. BROADCASTING OF COMMITTEE HEARINGS

(a) The general conduct of each hearing or meeting covered under authority of this clause and the personal behavior of committee members, staff, other government officials and personnel, witnesses, television, radio and press media personnel, and the general public at the hearing or other meeting, shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House.

(b) Persons undertaking to cover committee hearings or meetings under authority of this rule shall be governed by the following limitations:

(2) No witness served with a subpoena by the committee shall be required against his or her will to be photographed at any hearing or to give evidence or testimony while the broadcasting of that hearing, by radio or television, is being conducted. At the request of any such witness who does not wish to be subjected to radio, television, or still photography coverage, all lenses shall be covered and all microphones used for coverage turned off. This paragraph is supplemental to clause 2(k)(5) of Rule XI of the Rules of the House of Representatives, relating to the protection of the rights of witnesses.

(3) The number of television and still cameras permitted in a hearing or meeting room shall be determined in the discretion of the Chairman of the committee or subcommittee holding such hearing or meeting. (4) Television cameras shall be placed so as not to obstruct in any way the space between any witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(5) Television cameras shall operate from fixed positions but shall not be placed in positions which obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(6) Equipment necessary for coverage by the television and radio media shall not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(7) Floodlights, spotlights, strobeflights, and flashguns shall not be used in providing any method of coverage of the hearing or meeting, except that the television media may install additional lighting in the hearing or meeting room, without cost to the government, in order to raise the ambient lighting level in the hearing or meeting room to the lowest level necessary to provide adequate television coverage of the hearing or meeting at the then current state of the art of television coverage.

(8) In the allocation of the number of still photographers permitted by the committee or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by the committee or subcommittee chairman for coverage of the hearing or meeting by still photography, that coverage shall be made on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(9) Photographers shall not position themselves, at any time during the course of the hearing or meeting, between the witness table and the members of the committee.

(1) Photographers shall not place themselves in positions which obstruct unnecessarily the coverage of the hearing by the other media.

(11) Personnel providing coverage by the television and radio media shall be then cur-

(12) Personnel providing coverage by still photography shall be then currently accredited to the Press Photographers' Gallery.

(13) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.
